**Academic Activities**

**Bachelor of Technology**
Join student-guided tours of the Engineering Technology Building (ETB) running continuously, no registration is required. Tours will depart from the white tent in front of JHE and will run from 10:00 am – 3:00 pm.

Tours of the McMaster Automotive Resource Centre (MARC) will run from 11:30 am – 3:00 pm (last bus will depart for MARC at 2:45 pm and return to campus by 3:30 pm). Catch the MARC Shuttle bus near the Institute of Applied Health Sciences Building. Buses will pick up/drop off approximately every 15 minutes.

**Engineering**
Interested in learning more about co-op and Level II Engineering programs? Drop by our Department Showcase in the JHE lobby to chat with faculty, staff and students.

Interested in an Engineering tour? Our student-guided tours will bring you through our facilities, including the Elliptical Lab and E.P.I.C Lab – our prototyping lab designed specifically for first year Engineering students. Tours depart from the tent outside of JHE and run from 10:00 am – 3:00 pm on a drop-in basis.

Drop by the tent in front of JHE to chat with representatives from engineering clubs and teams.

From building custom vehicles to acting in the annual Engineering Musical to getting involved in the Women and Engineering Society, you will definitely find something that sparks your interest.

**Business**
Check out the Allen H. Gould Trading Floor in the DeGloria School of Business (10 minute sessions) at 12:00 pm, 1:00 pm, 2:00 pm and 3:00 pm. Meet our Student Leaders: DeGloria Commerce Society, in the DeGloria School of Business (DSB) atrium, to speak about getting involved in various business clubs (10:00 am until 4:00 pm).

**Humanities**
Join us to chat with professors, staff and students from all our programs in the atrium of the new L.R. Wilson Hall. Find out about Humanities courses, degrees, the exclusive Specialist Minor in Commerce, the Leadership program, student exchange opportunities, internships and so much more. Tour our new Art Studios and our ectopic lab spaces: Multimedia, Cognitive Science of Language and Performance Labs. Meet at the Humanities Tour Desk in L.R. Wilson Hall.

Join one of our 10 minute demonstrations of the unique teaching and learning environment offered in our Active Learning Classrooms. Sessions will be offered throughout the morning from 10:00 am to 12:00 pm. LRW - Room 1056.

**Science**
Engaging faculty, students and staff will be available in the atrium of the Michael DeGroote Centre for Learning and Discovery, to answer your questions about our second Level I Programs. Drop in to learn about: Level I courses; our many upper-level programs; experimental learning, affiliated certificates, exchange opportunities and internships.

As well, if you are interested in seeing Science-specific labs and facilities, you can join a Science Campus Tour, departing from MDCL, between 10:30 am and 12:30 pm. Tours are maximum 30 minutes, however, can be shortened, depending on your academic interests.

**Social Sciences**
Interested in speaking with reps from the Faculty of Social Sciences academic departments as well as the Experiential Education Office? Please visit the lobby of L.R. Wilson Hall to chat with faculty, staff and students to learn more about our upper level programs, experimental learning, affiliated certificates, exchange opportunities and internships.

Join one of our 10 minute demonstration of the unique teaching and learning environment offered in our Active Learning Classrooms. Sessions will be offered throughout the morning from 10:00 am to 12:00 pm. LRW - Room 1056.

Check out our new Indigenous Studies Program Ceremonial Room and learn about our special events. LRW - Room 1017.

Meet our therapy dogs at the Faculty of Social Sciences display in the lobby from 12:00 pm to 2:00 pm.

RESIDENCE TOURS

LOCATIONS:
Please see map below for residence locations (No registration required)

TOUR TIMES:
10:00 am – 3:30 pm

- Visit any of the 12 residences on campus and get a feel for residence life!
- Tours are on a drop-in basis and one of our friendly residence ambassadors will show you their room.

Please note that building assignments are done by random lottery and you may select between 3 - 5 different room type preferences on the online residence application.

If you are hoping to see a few residences today, consider the following as a guide.
- Mary E. Keyes Residence – suite style
- Bates Residence – apartment style
- All other residences are traditional dormitory style buildings
- Wallingford Hall is a female – only traditional residence
