

May@Mac

Saturday, May 14, 2022

WHAT'S INSIDE:

- Campus Map
- Schedule of Events
- Faculty/Program Showcase Details

Parking is free in these lots!

Shuttle Bus runs from 9 a.m.–4:30 p.m.

PARKING ENTRANCE FOR MAY@MAC

RESIDENCE TOURS
10:30 a.m.–4 p.m.

Visit seven of our 13 residences to get a feel for residence life! In the West Quad, Bates Residence, Mary E. Keyes Residence and Wallingford Hall will be open for tours. In the North Quad, check out Brandon Hall, Les Prince Hall, McKay Hall and Peter George Centre for Living and Learning (PGCLL).

- Tours are offered on a drop-in basis by our friendly residence staff.
- View a variety of room styles because you will select three room type preferences on your residence application.
- Residence rooms are determined by a self-selection process. All students guaranteed a space in residence who have completed the residence application and deposit by the deadline will be placed in a time-slot lottery. They will log in at their given time and will choose their residence room from remaining available spaces.

If you're hoping to see a few residences, consider the following:

- Bates Residence (apartment style) and Mary E. Keyes Residence (suite style)
- A traditional dormitory style buildings such as Brandon Hall, McKay Hall, Les Prince Hall (Traditional dormitory style with ensuite washroom) or all-female Wallingford
- Our newest building Peter George Centre for Living and Learning

COVID-19 Safety Protocols
Mask mandate: All attendees must wear a mask in all indoor settings and while using our shuttle buses.
Covid-19 self-assessment: Please complete the Ontario Covid-19 self-assessment before attending the event.

GENERAL INFORMATION SESSIONS

Transitioning from High School to University

10 a.m. or 1 p.m. in MDCL 1305/1307

An overview of the transition programs in place here to help high school students become successful McMaster students.

Acceptance to Registration

12:15 p.m. or 2:00 p.m. in MDCL 1105

Wondering what you have to do once you accept our offer? Let us outline the next steps and timelines for you.

Student Accessibility Services (SAS) Info Session

11:30 a.m. in MDCL 1102

Join staff from SAS to learn about supports that are available for students with disabilities. Discussion items include documentation requirements, academic accommodations and disability-related support.

Global Opportunities

1:45 p.m. in MDCL 1110

Getting involved in a global experience is a great way to develop skills and gain unique experience while working toward your academic and professional goals. We offer a diverse range of local and global opportunities with over 70 exchange agreements, volunteer opportunities and hundreds of job postings. Join us to learn about these opportunities and how to think globally in your education experience.

Discovering Mac Libraries

10:30 a.m. or 1:00 p.m. in MDCL 1102

Did you know our libraries contain way more than books? Our First Year Experience Librarian will walk you through how to make the most of the library. We'll get into the incredible spaces, tools, services and people who are there to answer your questions, help you with assignments and learn new skills.

GUIDED TOURS

Campus Bus Tours

10:30 a.m.-2:30 p.m. outside the Museum of Art

Want to get a feel for our campus? Drop by the Campus Tour Tent in front of the Museum of Art to enjoy a 20-minute bus tour with a student guide.

Residence Tours

10:30 a.m.-4 p.m. at any of our open residences

Visit the open residences identified on the previous pages to have a friendly residence staff member show you around.

Athletic Centre Tours (self-guided)

10 a.m.-3 p.m. from the DBAC lobby

Learn about our exciting expansion and take a self-guided tour of our state-of-the-art facilities.

Library Tours

Mills Memorial Library - 10 a.m.-4 p.m. Every hour on the 20s.

Health Sciences Centre (HSC) Library - 10 a.m. - 4 p.m. Every hour on the hour. **Note: COVID screening will be required to enter HSC. Visit screening.hhsc.ca and follow the prompts. A mask must also be worn while inside the building.**

REFRESHMENTS

The following eateries will have food and beverages available for purchase during your visit to campus. Note that these establishments are cashless. Debit, credit and meal cards are accepted.

Tim Hortons

8 a.m.-3 p.m. in MUSC

La Piazza

10 a.m.-3 p.m. in MUSC

BYMAC

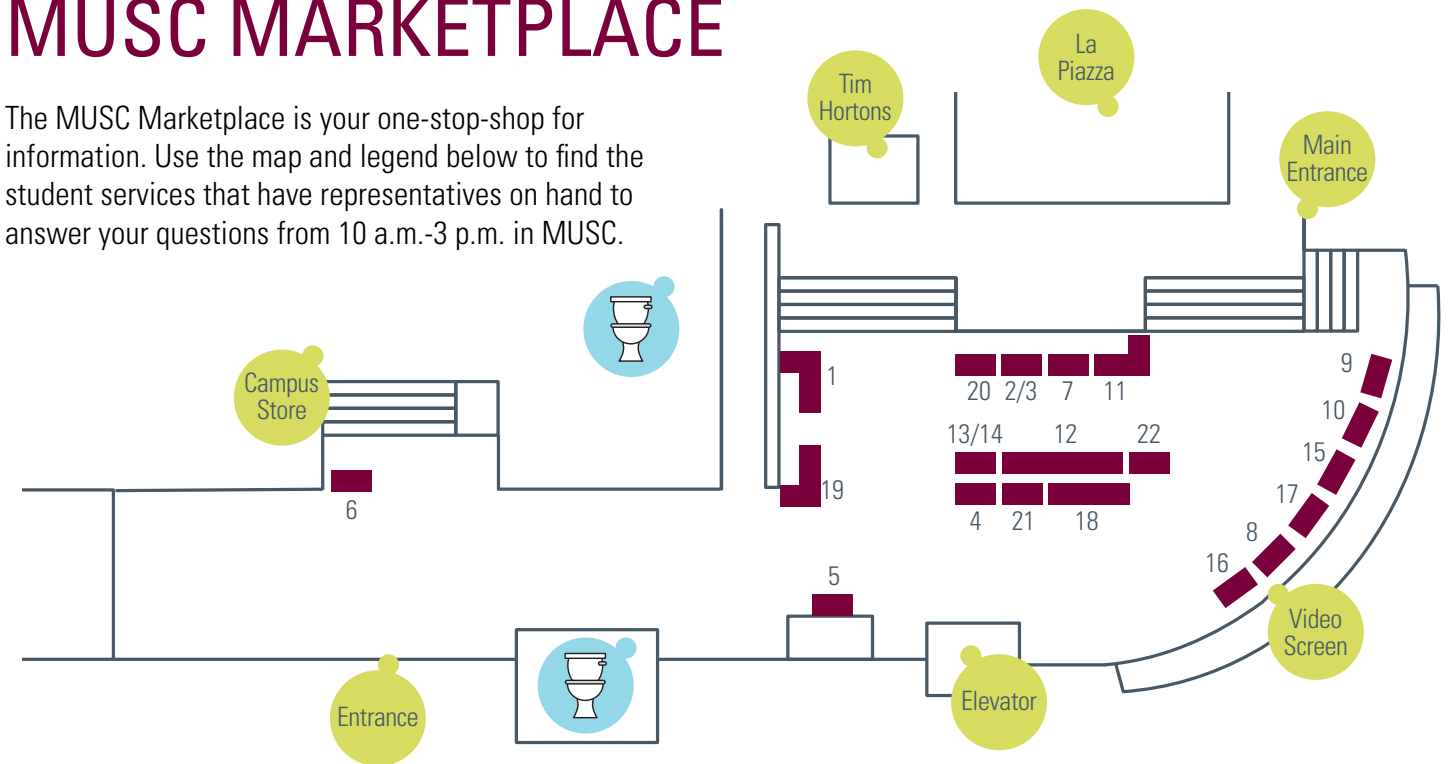

9 a.m.-3:30 p.m. in DBAC

IAHS Cafe

9 a.m.-3 p.m. in IAHS

MUSC MARKETPLACE

The MUSC Marketplace is your one-stop-shop for information. Use the map and legend below to find the student services that have representatives on hand to answer your questions from 10 a.m.-3 p.m. in MUSC.

		Career Information Session					Career Information Session		
	GRO Experience and Mock Tutorial					GRO Experience and Mock Tutorial			
IBH Meet and Greet and Networking									
DeGroote Club Fair									
Meet and Greet with Students, Staff & Alumni									

DeGroote Program Presentations

10 a.m., 12 p.m. and 1:30 p.m. in PGCLL Room M21

Learn about the Honours Commerce program. DeGroote students, faculty and staff will walk you through the structure and features of the commerce program.

IBH Program Presentation

12:30 p.m. in PGCLL Room M26

Learn more about the Integrated Business and Humanities Program and hear from Program Director Emad Mohammad, current students and alumni.

Student Panel

11:30 a.m. and 2:00 p.m. in PGCLL Room M12

Career Information Session

11 a.m. and 1:30 p.m. in PGCLL Room M16

GRO Experience and Mock Tutorial

10:30 a.m. and 1:00 p.m. in PGCLL Room M12

IBH Meet and Greet and Networking

10 a.m.–3 p.m. in PGCLL M Level

Please check in at the welcome booth.

DeGroote Club Fair

10 a.m.–3 p.m. in rooms PGCLL M22, M24 and M25

Speak with student leaders about getting involved in various extra-curricular activities and case competitions. Visit the DeGroote School of Business building, see the Innis Business Library and the Allen H. Gould Trading Floor.

Meet and Greet with Students, Staff & Alumni

10 a.m.–3 p.m. in PGCLL M Level Mezzanine

Gather information on academics, internship, career and professional development and international exchange.

FACULTY OF ENGINEERING

10 a.m.	10:30 a.m.	11 a.m.	11:30 a.m.	12 p.m.	12:30 p.m.	1 p.m.	1:30 p.m.	2 p.m.	2:30 p.m.

Engineering Tours									
Clubs & Teams Booth									

Department Showcase

10 a.m.–3 p.m. – MacEng Tent on JHE Lawn

Connect with faculty and staff from each of our Engineering Departments in front of the John Hodgins Engineering Building. Engineering Recruitment and Venture will be in JHE Lobby. Additional Booths for B. Tech. on ETB Main Floor, iBioMed in MDCL Lobby and CompSci Capstone Expo in ITB Lobby.

Bachelor of Technology (B. Tech.) Info Sessions

11 a.m. and 1 p.m. in ETB 235

Learn about the B. Tech. program and how to create technological advancements in the three direct entry programs, including Automotive & Vehicle Engineering Technology, Automation Engineering Technology and Biotechnology.

Computer Science Info Sessions

11 a.m. and 1 p.m. in ITB 137

Learn about applications you've never dreamed of and our wide range of programs in the Computing & Software Department; Software Engineering or Mechatronics Engineering, including direct-entry Computer Science.

Engineering I Info Sessions

11 a.m. and 1 p.m. in both JHE 264 & JHE 376

"What you need to know about McMaster Engineering!" Learn about first year and beyond as we explore the 12 Engineering disciplines, including: Chemical, Chemical & Bioengineering, Civil, Computer, Electrical, Physics, Materials Science, Mechanical, Mechatronics, Software, Management and Society.

Integrated Biomedical Engineering and Health Sciences (iBioMed) Info Sessions

11 a.m. and 1 p.m. in both MDCL 1105 & ABB 102

The iBioMed program is an interdisciplinary undergraduate program that will give students a strong foundation in both engineering and health sciences. Students will have a common first year before choosing to specialize in either engineering or health sciences and entrepreneurship.

Engineering Co-op Info Session

12 p.m. in JHE 376

Preparing students for the future of work, today. Engineering Co-op & Career Services helps students gain meaningful work experience and develop industry-specific skills before they graduate. In the 2019/2020 academic year over 2200 students participated in more than 3500 co-op work terms across the globe.

Engineering Tours

10 a.m.–3 p.m. – MacEng Tour Tent on JHE lawn

Explore all of the McMaster Engineering buildings, facilities and services with our Engineering Student Ambassadors. Tours will begin on the hour and half past. Sign up at the tent!

Clubs & Teams Booth

10 a.m.–3 p.m. – Located in and around HATCH

Come chat with our MacEng Clubs & Teams representatives to see how you can join in on the fun! Technical Clubs & Teams are inside HATCH garage. Non-technical Clubs & Teams are in the tent on HATCH lawn.

FACULTY OF HEALTH SCIENCES

10 a.m.	10:30 a.m.	11 a.m.	11:30 a.m.	12 p.m.	12:30 p.m.	1 p.m.	1:30 p.m.	2 p.m.	2:30 p.m.

Interactive Insight into the Bachelor of Health Sciences (BHSc) (Honours) Program

11:30 a.m. to 12:30 p.m. in MDCL 1305/1307

Presentation by Stacey Ritz, Assistant Dean, BHSc (Honours) Program.

BHSc (Honours) Program Info

10 a.m.-3 p.m. from the third floor of MDCL

Staff and BHSc students will be on-hand to answer questions and share their learning experiences.

Integrated Biomedical Engineering and Health Sciences (iBioMed) Info Sessions

11 a.m. and 1 p.m. in both MDCL 1105 & ABB 102

The iBioMed program is an interdisciplinary undergraduate program that will give students a strong foundation in both engineering and health sciences. Students will have a common first year before choosing to specialize in either engineering or health sciences and entrepreneurship.

iBioMed Info Booth

10 a.m.-3 p.m. on JHE Lawn

Engage with current iBioMed students and learn more about the program.

iBioMed Tours

10 a.m.-3 p.m. – MacEng Tour Tent on JHE lawn

Engineering facility tours are open to students interested in Engineering I, iBioMed, Computer Science and B. Tech.

Midwifery Info Booth

10 a.m.-3 p.m. in the MDCL lobby

Chat with us about the program.

Midwifery Education Program

12:30 p.m. in MDCL 1309

Learn more about the midwifery program.

Nursing Open House

10 a.m.-3 p.m. in Ewart Angus Centre on the 1st Floor of HSC

All visitors must pass COVID-19 screening to enter the hospital. Screening prior to your arrival can help reduce wait times. Visit [screening.hhsc.ca](https://www.hamiltonhealthsciences.ca/covid19/patients/appointments-visiting/) and follow the prompts using your personal device or home computer. Additionally, Hamilton Health Sciences requires everyone who enters our hospitals to wear a mask. www.hamiltonhealthsciences.ca/covid19/patients/appointments-visiting/

Students, faculty members and staff will be on hand to answer your questions about our nursing program. View the nursing uniform, stethoscope and textbooks required for first-year students. Tour the Centre for Simulation-Based Learning. Meet members of the McMaster Undergraduate Nursing Student Society (MUNSS) and find out how you can get involved in these leadership opportunities. Students will also give presentations about the nursing program.

Biomedical Discovery and Commercialization (BDC) Info Booth

10 a.m.-3 p.m. in the MDCL lobby

BDC is a Level III entry program that combines science and business. Its innovative '4+1' bachelor/master design allows students to graduate with an Honours Bachelor of Health Sciences degree and a professional course-based Master's degree in five years while obtaining eight months of paid internship experience in the pharmaceutical, biotechnology and consulting sectors. Drop by our table to learn more about the program from our staff and students.

FACULTY OF HUMANITIES

10 a.m.	10:30 a.m.	11 a.m.	11:30 a.m.	12 p.m.	12:30 p.m.	1 p.m.	1:30 p.m.	2 p.m.	2:30 p.m.

			Theatre & Film Studies: Black Box Theatre Open House						
			Media Arts Lab Tours			Media Arts Lab Tours		Media Arts Lab Tours	
			Music: Concert Hall Open House						
			iArts (Integrated Arts): Fitzhenry Studios and Atrium Open House and Tour						

Humanities Info Sessions

11:30 a.m. and 1 p.m. in LRW Concert Hall

Imagine yourself here. Join us to discover what it's like to be a Humanities student at McMaster. Learn about our programs, our close-knit community and why we say, "Humanities means leadership."

Faculty Showcase

10 a.m.-3 p.m. in the LRW lobby

Meet our student ambassadors, professors, reps from our McMaster Humanities Society and MELD (McMaster's English Language Development Diploma). Our student experience team, who's here to help you navigate Mac on every step of your academic journey, can chat with you about academic requirements, career supports, next steps and international exchange programs.

Theatre & Film Studies: Black Box Theatre Open House

11 a.m.-2 p.m. in the Black Box Theatre on the first floor of LRW

A state-of-the-art, professional theatre space, our Black Box Theatre features advanced lighting, digital sound and projection capabilities within a flexible space that allows for a wide range of seating options. It provides our students the ultimate hands-on experience to showcase their performance and technical skills.

Media Arts Lab Tours

11 a.m., 1 p.m. and 2 p.m. on the second floor of TSH

Exclusive to McMaster Media Arts and Communication Studies students, the Anne and Neil MacArthur Humanities Multimedia Wing offers professional-level computers with industry-standard software and audio/visual peripherals.

Music: Concert Hall Open House

11 a.m.-2 p.m. in the Concert Hall on the first floor of LRW

Our concert hall features exceptional acoustics and professional facilities and has hosted internationally renowned soloists and performing arts groups. It is the home of McMaster's choirs, orchestras, concert band and percussion ensemble.

iArts (Integrated Arts): Fitzhenry Studios and Atrium Open House and Tour

11 a.m.-2 p.m. in the Fitzhenry Studios near the Steam Dr. entrance of TSH. A formal tour will take place at 1 p.m.

McMaster's new iArts (Integrated Arts) BFA program allows you to direct your path wherever your creativity takes you – from acting, to painting, to sculpture, to creating digital videos and beyond. Opened in 2015, the Fitzhenry Studios and Atrium offer a state-of-the-art presentation and gallery space, in addition to art studios for a variety of fine art disciplines.

Blu Cru HQ									
						Success in the Social Sciences and Beyond!			
					Exploring Careers & Experiential Education in Social Sciences				

Social Sciences Faculty Showcase
10 a.m.–3 p.m. in LRW lobby/hallway

Meet with professors, staff and students from a variety of departments/programs, along with members of the Careers & Experiential Education team and the McMaster Social Sciences Society Blu Cru reps!

Indigenous Studies & Indigenous Student Services Open House
10 a.m.–3 p.m. in LRW 1811

Come and chat with our staff, students, and tour our Indigenous Studies and Indigenous Student Services space, which includes a student lounge, ceremonial space, a teaching garden, kitchen facilities for instruction in Indigenous cooking and a student library with hundreds of titles in the areas of Indigenous knowledge, research and language.

Blu Cru HQ
10 a.m.–3 p.m. in LRW 1003

Come hang out with our Blu Cru student reps and spin “The Wheel of SWAG” for a chance to take home your very own Soc Sci merchandise. Celebrate your offer of admission while capturing this Instagrammable May@Mac moment, Soc Sci-style! Get answers to your questions and make connections at the “Ask Me Anything!” table.

Success in the Social Sciences and Beyond!
11 a.m. and 2 p.m. in LRW B1007

Learn more about life at McMaster, our three Level I pathways (Social Sciences I, Economics I, Health and Society I) and the flexibility and customization offered in our degree programs. We’ll also cover student supports and resources, including how we help you transition into university with exclusive Level I courses, and how a Social Sciences degree sets you up for future success.

Exploring Careers & Experiential Education in Social Sciences
12:30 p.m.–1:15 p.m. in LRW B1007

Join us for an overview of the career resources and experiential education opportunities available to Social Sciences students! From career advice to resume skills, job shadowing, academic placements, and internships, you’ll be career-ready for a diverse range of fields upon graduation.

FACULTY OF SCIENCE

Faculty Showcase
10 a.m.–3 p.m. PGCLL First Floor

Faculty, student and staff representatives from each of our seven Level I Programs will be on hand to speak about their programs and the opportunities for study beyond Level I.

Science Career & Cooperative Education (SCCE) Info Session
1 p.m. in PGCLL 127

Learn more about the cooperative education programs, experiential education opportunities and career services in the Faculty of Science.

Science Tours
11 a.m.–2 p.m. from PGCLL Mezzanine Level

Sixty-minute tours are led by current undergraduate students from a wide range of science programs. Tours highlight labs, facilities and services used by students in Level I Science programs.
