Visit eight of our 13 residences to get a feel for residence life! In the West Quad, Bates Residence, Mary E. Keyes Residence, Moulton Hall and Wallingford Hall will be open for tours.

In the North Quad, check out Edwards Hall, Hedden Hall, Les Prince Hall and Woodstock Hall.

- Tours are offered on a drop-in basis by our friendly residence staff.
- Be sure to view a variety of room styles because you will select 3-5 room type preferences on your residence application.
- Actual room assignments are done by a lottery system.

If you are hoping to see a few residences, consider the following:

- Bates Residence: apartment style
- Mary E. Keyes Residence: suite style
- All other residences are traditional dormitory style buildings
  - Les Prince Hall: Traditional dormitory style with ensuite washroom
  - Wallingford Hall: Female-only traditional dormitory style

**RESIDENCE TOURS**

### GENERAL INFORMATION SESSIONS

**Transitioning from High School to University**
10 a.m., 12:15 p.m. or 2:15 p.m. in MDCL 1305/1307
An overview of the transition programs in place here to ensure high school students become successful McMaster students.

**Acceptance to Registration**
11:15 a.m. or 1:30 p.m. in MDCL 1305/1307
Wondering what you have to do once you accept our offer? Let us outline the next steps and timelines for you.

**Student Accessibility Services (SAS) Info Session**
11:30 a.m. in MDCL 1102
Join staff from SAS to learn about supports that are available for students with disabilities. Discussion items include documentation requirements, academic accommodations and disability-related support.

**McMaster Exchange Program**
10:30 a.m. or 1:30 p.m. in MDCL 1110
Gain a global perspective while earning credits towards your degree. Learn about studying abroad with our exchange program.

**Academic Success and the Library**
1 p.m. in MDCL 1102
This session is specifically designed to help parents learn how McMaster librarians help your student excel at research. Support has been put into place to ensure that all McMaster students recognize what kind of information is needed for their assignments, as well as how to locate, evaluate and use information effectively and ethically.

### GUIDED TOURS

**Campus Bus Tours**
10 a.m.–3 p.m. from the Campus Tour Tent outside the Museum of Art
Want to get a feel for our campus? Drop by the Campus Tour Tent in front of the Museum of Art to enjoy a bus tour with a student guide.

**Residence Tours**
10:30 a.m.–4 p.m. at any of our open residences
Visit the open residences identified on the previous pages to have a friendly residence staff member show you around.

**Athletic Centre Tours**
11 a.m.–2:30 p.m. from the DBAC lobby
Learn about our exciting expansion construction and join a guided tour of our state-of-the-art facilities: The Pulse (workout facility), indoor track, climbing wall and international size squash court.

### REFRESHMENTS

The follow eateries will have food and beverages available for purchase during your visit to campus:

**Tim Hortons**
8 a.m.–3 p.m. in MUSC

**Cafe One**
9 a.m.–3 p.m. in MDCL

**La Piazza**
9 a.m.–3 p.m. in MUSC
MUSC MARKETPLACE

The MUSC Marketplace is your one-stop-shop for student services here at McMaster. Use the map and legend below to find the student services that have representatives on hand to answer your questions from 10 a.m.–2:30 p.m. in MUSC.

1. Admissions
2. Alumni Association
3. Athletics and Recreation
4. Campus Store
5. Financial Aid & Scholarships
6. Hospitality Services
7. Residence Admissions
8. Indigenous Students Health Sciences
9. Indigenous Student Services
10. McMaster Exchange Program
11. McMaster Libraries
12. McMaster Outdoor Orientation Student Experience
13. McMaster Students Union
14. MSU Horizons Conference
15. Off-Campus Resource Centre
16. Outdoor Recreation
17. Parking Services
18. Security Services
19. Student Accessibility Services
20. Student Accounts & Cashiers
21. Student Success Centre
22. Student Wellness Centre
23. University Technology Services

Faculty Meet and Greet

Student Experience: Meet our Staff

Integrated Business & Humanities (IBH) Program Booth

DeGroote Club Fair

Professional Head Shots

Undergraduate Business Presentations
10:30 a.m., 12:30 and 2 p.m. in MUSC 319 (3rd floor)
Learn about the Honours Commerce and our new Integrated Business and Humanities (IBH) programs. DeGroote students, faculty and staff will walk you through the structure and features of both programs.

Allen H. Gould Trading Floor (GTF) Sessions
11 a.m., noon, 1 and 2 p.m. in DSB 122A
Learn about the GTF website and live data retrieval: stock quotes, price graphs and market-related news.

Faculty Meet and Greet
10 a.m.–3 p.m. in the DSB atrium
Meet DeGroote faculty members from various disciplines to discuss our programs, classroom teaching methods and areas of focus.

Student Experience: Meet our Staff
10 a.m.–3 p.m. in the DSB atrium
Gather information on academics, internship, career and professional development and international exchange.

Integrated Business & Humanities (IBH) Booth
10 a.m.–3 p.m. in the DSB atrium
Speak with faculty members, staff and current IBH students. Discover if this program is right for you by exploring course offerings and learning what makes this program different.

DeGroote Club Fair
10 a.m.–3 p.m. in the DSB atrium
Speak with student leaders about getting involved in various extra-curricular activities and case competitions. Visit the DeGroote School of Business building, see the Innis Business Library and the Allen H. Gould Trading Floor.

Professional Head Shots
10 a.m.–2 p.m. in the DSB Bistro
What does your LinkedIn photo say about you? Spruce up your CV with the help of our professional photographer.
Bachelor of Technology (B. Tech.) Info Sessions
11 a.m. and 1 p.m. in ETB 235
Learn about the B. Tech. program in a presentation delivered by Dr. Dan Centea, Associate Director for the McMaster-Mohawk Bachelor of Technology program.

B. Tech. Welcome Centre
10 a.m.–3 p.m. in ETB lobby
Have a B. Tech. student show you our state-of-the-art facilities.

B. Tech. Info Booth
10 a.m.–3 p.m. in either the ETB or JHE lobbies
Have your questions answered by B. Tech. staff and students.

Computer Science Info Sessions
11 a.m. and 1 p.m. in ITB 137
Learn about applications you’ve never dreamed of and our wide range of programs in the Computing & Software Department; including direct-entry computer science, software engineering or mechatronics engineering.

Computer Science Welcome Centre
10 a.m.–3 p.m. in the ITB lobby
Have a computer science student show you our state-of-the-art facilities.

Engineering I Info Sessions
10 a.m., 11 a.m. and 2 p.m. in JHE 264
“What you need to know about McMaster Engineering!” with Associate Dean, Dr. Ken Coley.

Departmental Showcase
10 a.m.–3 p.m. in the JHE lobby
Meet academic advisors, faculty members and students to learn about our programs in the Faculty of Engineering. Various departments will have labs open and they are happy to guide you there!

Engineering I Welcome Centre
10 a.m.–3 p.m. in the JHE lobby
Learn more about our incredible Engineering I program.

Student Clubs and Teams
10 a.m.–3 p.m. in the HATCH garage and on the 1st floor
Meet members of our engineering clubs and teams to discover how you can get involved outside of the classroom.

Integrated Biomedical Engineering and Health Sciences (iBioMed) Info Sessions
10 a.m., noon and 2 p.m. in MDCL 1105
The iBioMed program is an interdisciplinary undergraduate program that will give students a strong foundation in both engineering and health sciences. Students will have a common first year before choosing to specialize in either engineering or health sciences and entrepreneurship.

iBioMed Info Booth
10 a.m.–3 p.m. in either the JHE or MDCL lobbies
Engage with current iBioMed students and learn more about the program.

Engineering Co-op Info Session
Noon in JHE 376
The Engineering Co-op Program provides students with the opportunity to gain valuable work experiences before they graduate. In 2017-18, over 1,700 students participated in over 2,700 4-month co-op work terms across the globe.

Engineering Tours
10 a.m.–3 p.m. from the second floor of HATCH
Join us for a tour to experience our incredible engineering facilities. This tour is open to any student interested in any of our four programs: Engineering I, iBioMed, Computer Science and B. Tech.

**Interactive Insight into the Bachelor of Health Sciences (BHSc) (Honours) Program**

11:30 a.m. in LRW B1007

Presentation by Stacey Ritz, Assistant Dean, BHSc (Honours) Program.

**BHSc (Honours) Mini Tours**

10 a.m. and 1 p.m. from the third floor of MDCL

BHSc students take visitors on a mini-tour of MDCL and HSC.

**BHSc (Honours) Program Info**

10 a.m.–3 p.m. from the third floor of MDCL

Staff and BHSc students will be on-hand to answer questions and share their learning experiences.

**Integrated Biomedical Engineering and Health Sciences (iBioMed) Info Sessions**

10 a.m., noon and 2 p.m. in MDCL 1105

The iBioMed program is an interdisciplinary undergraduate program that will give students a strong foundation in both engineering and health sciences. Students will have a common first year before choosing to specialize in either engineering or health sciences and entrepreneurship.

**iBioMed Info Booth**

10 a.m.–3 p.m. in either the JHE or MDCL lobbies

Engage with current iBioMed students and learn more about the program.

**iBioMed Tours**

10 a.m.–3 p.m. from the second floor of HATCH

Engineering facility tours are open to students interested in Engineering I, iBioMed, Computer Science and B. Tech.

**Nursing Open House**

10 a.m.–3 p.m. in the Ewart Angus Centre on the first floor of HSC

Students, faculty members and staff will be on hand to answer your questions about our nursing program. View the nursing uniform, stethoscope and textbooks required for first-year students. Tour the School of Nursing and Health Sciences Centre and Centre for Simulation-Based Learning. Meet members of the McMaster Undergraduate Nursing Student Society (MUNSS) and find out how you can get involved in these leadership opportunities. Students will also give presentations about the nursing program.

**Midwifery Info Booth**

10 a.m.–3 p.m. in the MDCL lobby

Learn more about the midwifery program.

**Biomedical Discovery and Commercialization (BDC) Info Booth**

10 a.m.–3 p.m. in the MDCL lobby

BDC is a Level III entry program that combines science and business. Its innovative "4+1" bachelor/master design allows students to graduate with an Honours Bachelor of Health Sciences degree and a professional course-based Master's degree in five years while obtaining eight months of paid internship experience in the pharmaceutical, biotechnology and consulting sectors. Drop by our table to learn more about the program from our staff and students.

**Biochemistry and Biomedical Discovery and Commercialization Open Lab**

10:30 a.m.–2:30 p.m. in HSC 1H1-B

Learn about the research in our Biochemistry and BDC programs.

**Faculty Showcase**

- **Theatre & Film Studies: Black Box Theatre Open House**
  - 11 a.m.–2 p.m. in the Black Box Theatre on the first floor of LRW
  - We’d like to introduce you to our state-of-the-art theatre and performing arts space. The Black Box Theatre gives our students the ultimate hands-on experience in performance and technical skills.

- **Multimedia Lab Tours**
  - 11 a.m., 1 p.m. and 2 p.m. on the second floor of TSH
  - Exclusive to McMaster multimedia students, the Anne and Neil MacArthur Humanities Multimedia Wing offers professional-level computers with industry-standard software and audio/visual peripherals.

- **Music: Concert Hall Open House**
  - 11 a.m.–2 p.m. in the Concert Hall on the first floor of LRW
  - Experience our brand new concert hall that was designed to host numerous concert and music performances.

- **Studio Art: Fitzhenry Studios and Atrium Open House and Tour**
  - 11 a.m.–2 p.m. in the Fitzhenry Studios near the Stearn Dr. entrance of TSH. A formal tour will take place at 1 p.m.
  - Open in 2015, the Fitzhenry Studios and Atrium offer a state-of-the-art presentation and gallery space, in addition to art studios for a variety of fine art disciplines.

**Humanities Info Sessions**

- **11:30 a.m. and 1 p.m. in LRW Concert Hall**
  - Imagine yourself here. Join us to discover a taste for life in Humanities at McMaster. Learn about our programs, our people and why we say, “Humanities means leadership.”

**Faculty Showcase**

- **10 a.m.–3 p.m. in the LRW lobby**
  - Meet with professors and students from all of our programs. Talk with our academic advisors about academic requirements, next steps and international exchange programs.

### FACULTY OF SCIENCE

**Faculty Showcase**

10 a.m.–3 p.m. under the BSB Patio Tent

Faculty, students and staff representatives from each of our seven Level I Programs will be on hand to speak about their programs and the opportunities of study beyond Level I. You will also be able to meet representatives from the Science Career & Cooperative Education Office (SCCE).

**Science Career & Cooperative Education (SCCE) Info Session**

10:45 a.m. in BSB 147

Learn more about the cooperative education programs, experiential education opportunities and career services in the Faculty of Science.

**Science Tours**

10 a.m.–2 p.m. from BSB 129

Sixty-minute tours are led by current undergraduate students from a wide range of science programs. Tours highlight labs, facilities and services used by students in Level I science programs.

**CHEMICAL & PHYSICAL SCIENCES GATEWAY**

**Chemistry & Chemical Biology Open Lab**

10:30 a.m.–3 p.m. in ABB 122

**Physics and Astronomy Open Lab**

10:30 a.m.–3 p.m. in BSB 8114/B115

**Physics and Astronomy: Planetarium Show**

10:30 a.m.–2:30 p.m. in BSB B149

Shows are 15 minutes in length.

**ENVIRONMENTAL & EARTH SCIENCES GATEWAY**

**Geography and Earth Sciences Open Lab**

10:30 a.m.–3 p.m. in BSB 343

**HONOURS INTEGRATED SCIENCE (ISCI)**

**What to Expect in the iSci Program**

12:30 p.m. in BSB B136

Learn more about the iSci program and meet staff and students involved with the program.

**iSci Open Lab**

10:30 a.m.–3 p.m. in GSB 116

**HONOURS KINESIOLOGY**

**Kinesiology Lab Tours**

10:30 a.m.–3 p.m. in IWC A102

**LIFE SCIENCES GATEWAY**

**Biochemistry & Biomedical Sciences “What is Biochemistry?”**

Noon and 1:30 p.m. in BSB 147

Learn about the discipline of biochemistry.

**Success in the Social Sciences and Beyond!**

10 a.m. and 1 p.m. in LRW B1007

Learn about our three Level I pathways — Economics I, Health and Society I and Social Sciences I. We’ll show how we help you transition into university with exclusive Level I courses. You’ll learn how all three Level I pathways can be custom fit to your interests. Our experiential education team will show you the many exciting options to build your resume as a student. You’ll be career-ready upon graduation for a diverse range of fields.

**Health and Society I Info Session**

11 a.m. in LRW 1056

Learn about the program and meet some of our faculty members and students.

**Economics I Info Session**

12.15 p.m. in LRW 1056

Meet our faculty members who teach the first year classes and undergraduate students who can tell you about their experiences.

### MEDITRATIONAL SCIENCES

**Medical Radiation Sciences (MRS) Open House**

10:30 a.m. – 3 p.m. in IAHS lobby

Drop in for tours and demonstrations of medical imaging teaching laboratories, state-of-the-art medical imaging equipment and the Simulated Clinical Laboratory.

**MRS Clinical Experience Info Session**

Noon in IAHS 244

Learn more about the three specializations, Radiation Therapy, Radiography and Ultrasonography, and their clinical experience.

### MATHEMATICS AND STATISTICS GATEWAY

**How to do Well in Math and be Happy**

11 a.m. and 12:30 p.m. in HH 302

Learn the secret of succeeding in math and stats at university.
Share what you love by using #MayAtMac on your social channels.
(And while you’re at it, follow ours!)

@MacAdmit
